

Costa Mesa Sanitary District

... an independent special district

The Costa Mesa Sanitary District is an independent government agency and provides only two services: sewer service and trash collection (trash collection is only for those using curbside service, not "bin" or "dumpster" service). The boundaries of the District include all of the City of Costa Mesa, small portions of Newport Beach and small portions of County unincorporated areas.

TRASH COLLECTION

The Costa Mesa Sanitary District provides residential curbside trash collection, recycling, and special programs. The service is available for residents who utilize the District's standardized individual containers, not for those using "bin" or "dumpster" service. Please call (949) 645-8400 ext. 229 for service for new developments or conversion from bin service to individual containers.
